

Business Ready Training

OCR Award in Understanding Business Enterprise Activities

Level 1

Is this course for me?

Have you ever wanted to learn about starting a business and are not sure where to start? This course will teach you the basic concepts about enterprise and starting up a business.

What does the course involve?

Find out what personal skills and qualities you have that can help you develop a business idea. You will explore these through practical exercises and written tasks, with guidance from a course tutor who has a background in professional business advice and consulting. When you successfully complete the course you will gain a qualification: OCR Level 1 Award in Understanding Business Enterprise Activities.

The course will be based at the Newham College's Women's Business Centre and East Ham Campus.

What options are open to me if I successfully complete the course?

The course has a wide variety of progression options for further study including business related qualifications including NOCN Level 2 Certificate in Self Employment and Enterprise.

What qualifications do I need to get on to the course?

No previous business experience or qualifications needed. You must have an interest in wanting to learn about starting a business. This course is aimed at people over 19 years of age who are in receipt of Job Seekers Allowance (JSA).

Length of the course

The course is 30 hours in total and it can be studied in the following modes:

Option 1: 1 day (6 hours) per week over 5 weeks

Option 2: 2 days (6 hours per day) every week for 3 weeks

Cost

The cost of this course is £87.

The course is free if you are over 19 years of age and in receipt of Job Seekers Allowance.

Materials will be provided.
