

## NLP COURSE PROGRAMME

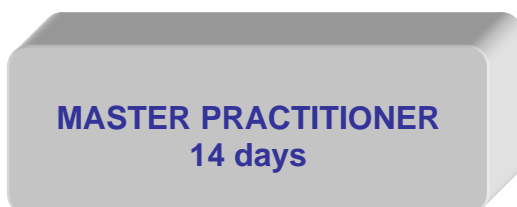

Open to all – no previous knowledge required. The one day Introduction to NLP is the pre-requisite for the Diploma, Practitioner and Master Practitioner courses. All courses are small and informal where you will carry out interactive group work.

Pre-requisite is either completion of 1 day introduction. No pre-study required.

Pre-requisite is completion of 1 day introductory course or evidence of pre-study (with informal talk with trainer). Pre-study includes a written integration paper; recommended study 6 week prior to course.

Pre-requisite is completion of Practitioner course and a Certificate of Completion will need to be produced. Pre-study includes a written integration paper to take place 8 weeks prior to course.

**If you think that you may be exempt from parts of the programme you will need to provide documentary evidence in the form of a certificate.**
